

CHANGE IS: 8 MINUTES BETWEEN JFK & MANHATTAN

Announcing Delta's codeshare partnership with US Helicopter, providing complimentary helicopter service with the purchase of a Delta BusinessElite® ticket.

SAVE TIME—SAVE MONEY

Delta's new codeshare with US Helicopter makes using the only helicopter service between Manhattan and JFK International Airport effortless.

Customers traveling to or from Delta's hub at New York's John F. Kennedy International Airport can now enjoy this convenient 8-minute airport transfer¹. The new codeshare between Delta and US Helicopter provides streamlined booking for Delta passengers. Customers will have convenient access to frequent US Helicopter service that operates between two New York City Heliports and Gate 11 at JFK Terminal 3. Delta passengers purchasing specified Business Class fares for International travel originating or terminating at JFK will receive complimentary helicopter service².

As an on-the-go traveler, you will enjoy unrivaled benefits from US Helicopter including:

- Federally regulated TSA security screening at the Heliport, so you can bypass the security screening lines at JFK.
- Convenient check-in with all boarding passes issued to final destination.
- Baggage checked to final destination.
- Comfortable leather seating for 8 passengers, in space originally designed to accommodate 12.
- 500 SkyMiles earned per segment flown for travel on US Helicopter using Delta's code.

US Helicopter operates 27 daily flights, Monday through Friday, between the Downtown Manhattan Heliport near Wall Street, the Atlantic Metroport at East 34th Street in Midtown, and Delta's Terminal 3, Gate 11 at JFK. Tickets may be purchased through Delta Reservations at (800) 221-1212, online, or through your Travel Agent.

Each passenger using US Helicopter service is allowed the following baggage:

- One standard/average size checked bag
- One carry-on bag/item such as a laptop or regular sized briefcase

Please visit www.flyush.com/before_baggage.shtml for complete details.

¹Average actual flight time is eight minutes or less.

²Complimentary helicopter service is included when purchasing applicable published through fares as described in this document. Origin or termination points must be JRB or TSS, via JFK, to receive the published through fare. (Complimentary helicopter service) Offer is not valid for point to point fares between JRB or TSS and JFK. Valid for travel through December 31, 2008. All tickets must be purchased and travel must be completed by December 31, 2008. Offer valid for tickets purchased on or after April 15, 2008. Valid only on nonstop flights between JFK and international destinations when purchasing a qualifying Business Class fare (designated by fare basis code beginning with C, D, or J excluding Government/Industry Discounted fares). Roundtrip purchase not required. Codeshare flights are eligible when booked as a Delta (DL) flight. Mexico, Central America and Caribbean destinations are excluded.
